Required Qualifications:

- Master's degree in Biology, Chemistry, or Physics or related field, at time of appointment
- Post-secondary teaching experience in Biology, Chemistry, or Physics courses
- Evidence of excellent teaching effectiveness
- Excellent English written and spoken communication skills
- Ability to teach in digital environments
- Demonstrated commitment to promoting diversity, equity, and inclusion
Desired Qualifications:

- Terminal degree in Biology, Chemistry, or Physics or related field
- 2 years full-time teaching experience in post-secondary environment
- Experience working in collaborative environments within and across disciplines
- Evidence of professional development activities
- Experience using course management systems such as Canvas and/or online homework systems
- Experience teaching in digital environments

Application Instructions

Only electronic submissions will be reviewed. Incomplete applications will not be considered. Applications must contain:

1. A letter of interest outlining your qualifications, teaching effectiveness and demonstrated commitment to diversity and inclusion
2. Current curriculum vitae
3. One page statement of teaching philosophy
4. Evidence of teaching effectiveness - e.g., student evaluations, syllabi, peer observation, annual evaluations, etc.
5. Unofficial graduate transcripts
6. Information for three professional references (their position, title, e-mail, phone number)

The initial application deadline is **04/27/2020 at 11:59 p.m., Eastern Standard Time.** Applications will continue to be accepted on a rolling basis for a reserve pool. Applications in the reserve pool may then be reviewed in the order in which they were received until the position is filled. A background check and official transcripts are required prior to employment. If you have position questions, please contact Richard Bauer at rbauer@asu.edu (mailto:rbauer@asu.edu).
